2. RATINGS

Ratings:

The Notes to be issued have been rated:

Baa2 by Moody's Italia S.r.l. (**Moody's**)

BBB+ by Fitch Ratings Ireland Limited (**Fitch**)

According to the definitions published by Moody's on its website as of the date of these Final Terms, obligations rated 'Baa' are judged to be medium grade and subject to moderate credit risk and as such may possess certain speculative characteristics. In addition, Moody's appends numerical modifiers 1, 2 and 3 to each generic rating classification from 'Aa' to 'Caa'; the modifier '2' indicates a mid-range ranking.

According to the definitions published by Fitch on its website as of the date of these Final Terms, 'BBB' ratings indicate that expectations of credit risk are currently low. The capacity for payment of financial commitments is considered adequate, but adverse business or economic conditions are more likely to impair this capacity. In addition, within rating categories, Fitch may use modifiers; the modifiers '+' or '-' may be appended to a rating to denote relative status within major rating categories.

Each of Moody's and Fitch is established in the European Union and is registered under Regulation (EC) No 1060/2009 (as amended, the **CRA Regulation**).
