Adjusted Net Profit ¹	316.6	31.1%
Cashflow from operations	739.0	39.6%
Investments	495.1	40.0%
Net Financial Debt excl. IFRS 16 ²	10,859.0	+4,186.7 ³

Note: Acqua Campania fully consolidated starting from 30th January 2024, 2i Rete Gas fully consolidated from 1st April 2025; As of the closing date of the Interim Financial Report, the purchase price allocation (PPA) process of 2i Rete Gas has not yet been completed; (1) Attributable to the Group; (2) Operating leases ex IFRS 16 and IFRIC 12 €90.5mn at the end of FY 2024 and €114.0mn as of 1H 2025; (3) Delta Net Financial Debt ex IFRS 16 and IFRIC 12 vs. situation as at 31 December 2024

1H 2025 Key Highlights

Operating & Corporate Highlights

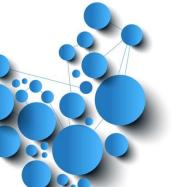

- Transformational 2i Rete Gas acquisition closed on April 1st, ahead of initial schedule
- €1.02bn Capital Increase successfully completed in June
- 2i Rete Gas merger by incorporation into Italgas Reti effectively executed on 1st July 2025
- Credit rating confirmed by Moody's and new BBB+ long term credit rating issued by S&P

Regulatory Highlights

- Extension of the current regulatory period by 2 years until end-2027 (ARERA resolution 221/2025/R/Gas) – consultation document yet to be published
- Antitrust disposal process, expression of interest received. Next step: binding offers must be received by September 5th

FY 2025 Guidance confirmed, new strategic plan to be presented on 29 October

Focus on the Integration of 2i Rete Gas

Integration roadmap key milestones

New organization structure including new territorial set-up

Full IT system integration successfully executed

Onboarding 100% 2i Rete Gas people: 60,000+ technical training hours provided

25 cross-functional working groups created to foster integration

Launch of former 2i Rete Gas network digitization program

New Italgas:

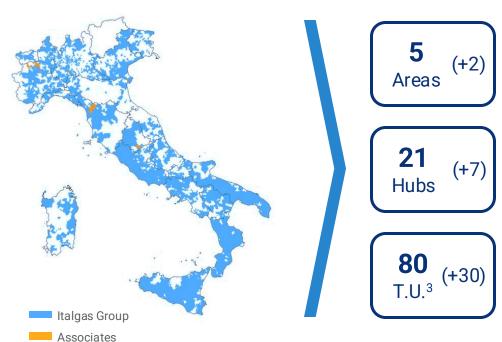

156,000+ km of network (+86%¹) 4,330 concessions (+106%¹)

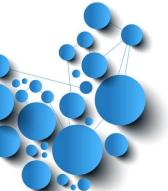

~12.9 million clients (+60%1)

~6,500 people (+50%1)

>€15bn RAB² (+50%)

New Italgas Reti Setup as of July 1st

Focus on the Integration of 2i Rete Gas

Focus on Onboarding and Training

- 100% of 2i Rete Gas population involved
- 60,000+ technical training hours provided (>30 hours/person)
- 70 Al-generated tutorials for field operations to align procedures and operating tasks
- 20,000+ access to the training platform in only 3 weeks
- 300+ access to Al-chatbot to support operators on the field
- **140** "on the field" selected and trained "integration support team" people

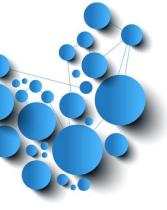

Focus on IT systems integration

- Massive data migration, extracted and transformed to align with the processes and systems of the Italgas model
- Over 250 cross-functional meetings, with 36 processes and 71 subprocesses analyzed
- 140 application modules and 410 interfaces/ETLs managed
- Integration of NB-IoT and RF technologies for Smart Meter management, with over 3 million daily IoT data flows integrated
- Infrastructure upgrade, enhanced computing capacity, and increased storage and bandwidth, integrating onpremise 2i Rete Gas datacenters within Italgas cloud
- No service interruptions

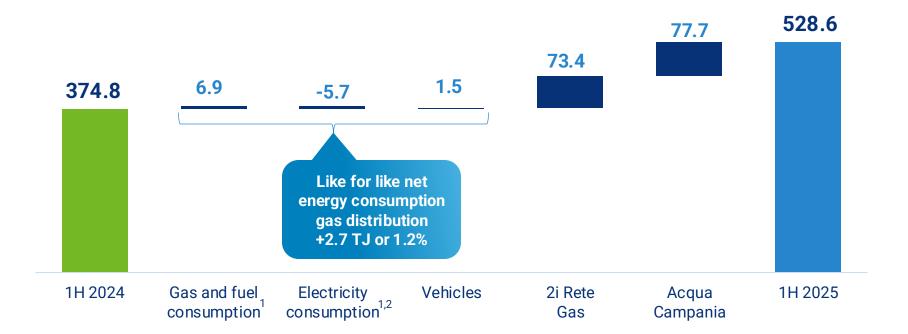

Environmental Performance: Energy Consumption

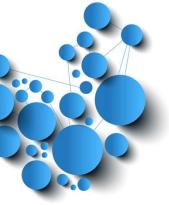

Net energy consumption for gas distribution increased slightly on a like for like basis in 1H 2025, mainly due to the increase of gas injected in the distribution network, also linked to colder winter conditions. Specific consumption of preheating systems dropped by 8%.

TJ

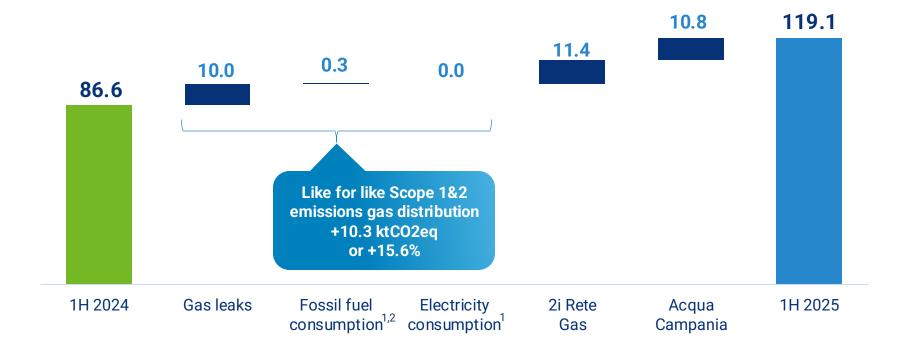

Environmental Performance: GHG Emissions

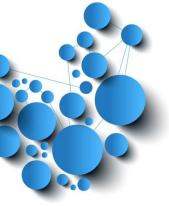

Like for like Scope 1&2 emissions increased mainly due to gas leakages resulting from a higher amount of km of network inspected (27.4%)

ktCO2 eq

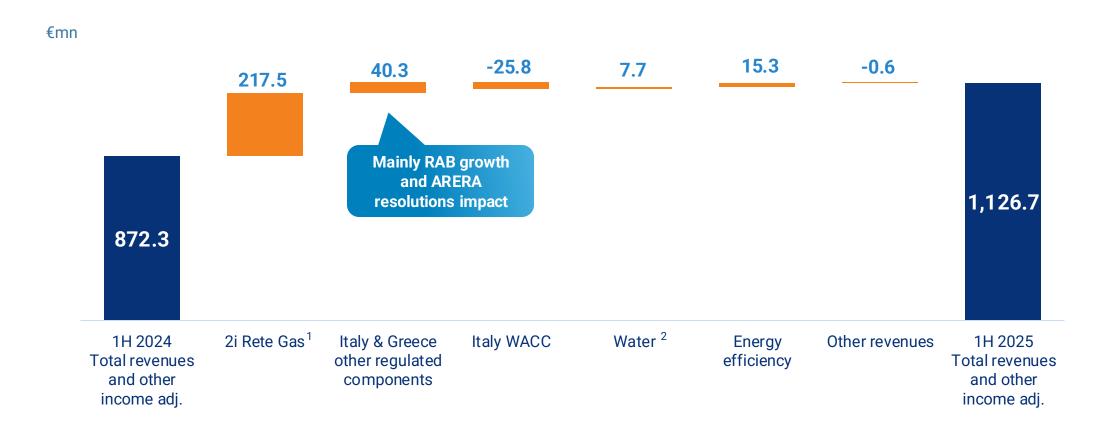

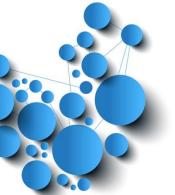

All businesses contributed positively to top line, besides positive contribution of 2i Rete Gas transformational acquisition

Total Revenues adj. +29.2% vs 1H 2024; +4.2% without 2i Rete Gas

Sustainability performance

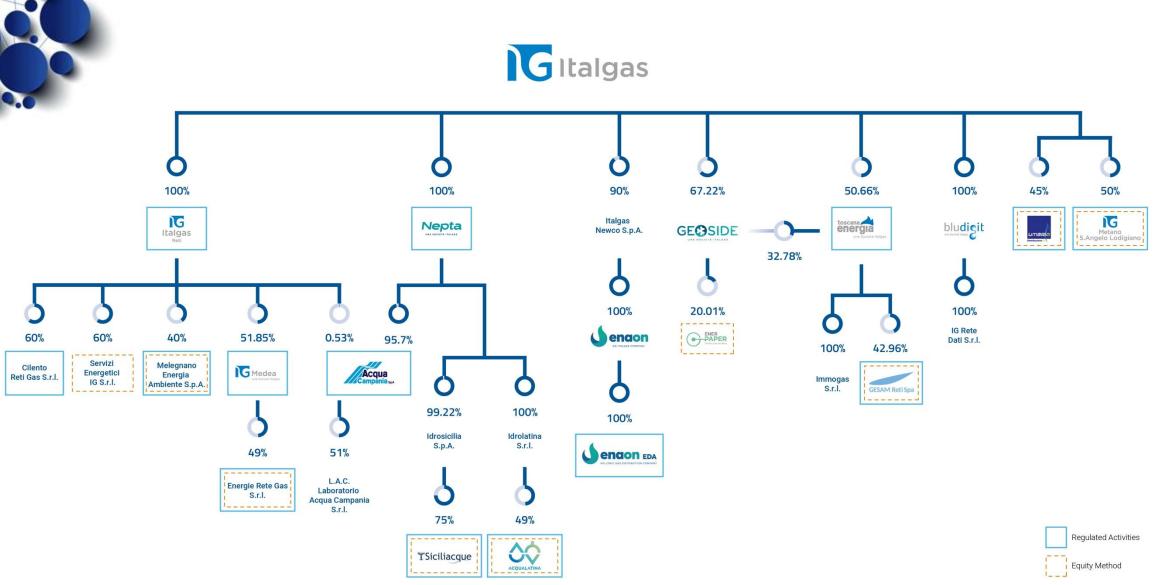

Note: based on most recent published rating,

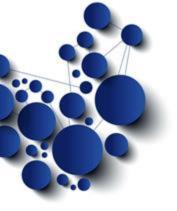

Group Structure as of 1 July 2025

Vision

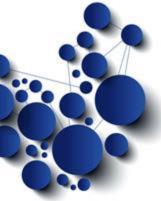

To be a leading figure in the world of energy, driving its sustainable evolution and innovating each day to improve people's quality of life.

Purpose

Pioneers by passion and builders by calling, we bring all our energy to accelerate the ecological transition. We do it for us. We do it for everyone

Mission

We have guaranteed efficient, safe and excellent energy services to the community for over 180 years. We favour the energy transition, creating the networks of the future and promoting innovative, sustainable solutions. We take care of local communities. We fuel positive, productive relationships with all of our stakeholders: individuals, companies, suppliers and shareholders. We enter new markets where we can apply our distinctive expertise. We promote the growth of individuals and develop talent, creating inclusive, stimulating work environments

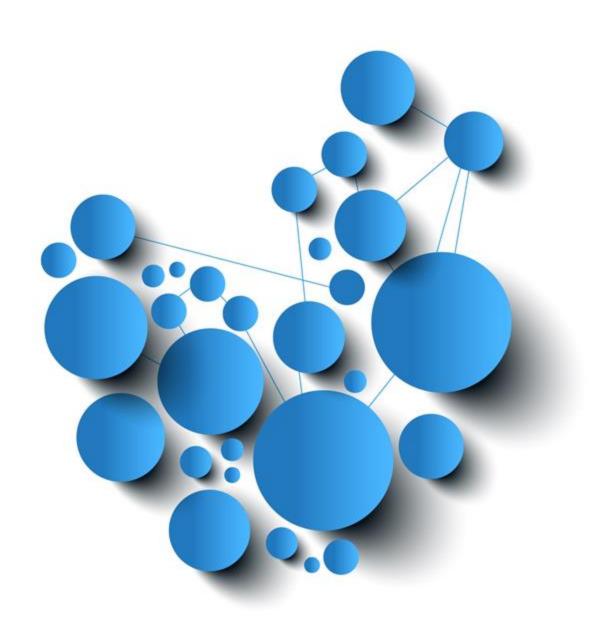

Disclaimer

Italgas' Manager, Gianfranco Maria Amoroso, in his position as manager responsible for the preparation of financial reports, certifies pursuant to paragraph 2, article 154-bis of the Legislative Decree n. 58/1998, that data and information disclosures herewith set forth correspond to the company's evidence and accounting books and entries. This presentation contains forward-looking statements regarding future events and the future results of Italgas that are based on current expectations, estimates, forecasts, and projections about the industries in which Italgas operates and the beliefs and assumptions of the management of Italgas. In particular, among other statements, certain statements with regard to management objectives, trends in results of operations, margins, costs, return on equity, risk management are forward-looking in nature. Words such as 'expects', 'anticipates', 'targets', 'goals', 'projects', 'intends', 'plans', 'believes', 'seeks', 'estimates', variations of such words, and similar expressions are intended to identify such forward-looking statements. These forward-looking statements are only predictions and are subject to risks, uncertainties, and assumptions that are difficult to predict because they relate to events and depend on circumstances that will occur in the future. Therefore, Italgas' actual results may differ materially and adversely from those expressed or implied in any forward-looking statements. Factors that might cause or contribute to such differences include, but are not limited to, economic conditions globally, political, economic and regulatory developments in Italy and internationally. Any forward-looking statements made by or on behalf of Italgas speak only as of the date they are made. Italgas does not undertake to update forward looking statements to reflect any changes in Italgas' expectations with regard thereto or any changes in events, conditions or circumstances on which any such statement is based. The reader should, however, consult any further disclosures Italgas may make in documents it files with the Italian Securities and Exchange Commission and with the Italian Stock Exchange.
