

Italgas stock confirmed for the ninth consecutive year in the FTSE4Good Index Series

Milan, 14 July 2025 – Italgas has been confirmed for the ninth consecutive year as a constituent of the FTSE4Good Index Series, that includes companies demonstrating strong Environmental, Social and Governance (ESG) practices. FTSE Russell's evaluations are based on performance in areas such as Corporate governance, health and safety, anti-corruption, and climate change.

This year, Italgas further improved its score to 4.4 out of a maximum of 5 points, achieving the highest rating in the social and governance categories and outperforming both the industry average and other Italian companies.

The result achieved confirms Italgas' commitment to all aspects of sustainability, a key element that permeates the Group's strategic development choices and daily operations.
