

**Italy-Turin: Subsidiary works for gas distribution
2026-OJS094-00336928**

**Annex to the Qualification System
Product Category LL04AG05 Construction and replacement of methane gas and water
distribution networks**

Section I: Procedure (2.1)

This notice concerns works relating to the construction of new gas and water distribution networks. The interventions covered by this notice also concern the construction of new pipes to replace those already in operation, the construction of which will be in close parallel with the existing networks.

Section II: Purpose (2.1.1)

With this notice, addressed exclusively to Individual Legal Entities, Italgas, for its activities and their subsidiaries and affiliates, aims to compile lists of qualified suppliers, from which candidates may be selected for tenders for works, goods or services conducted by the individual parties indicated above or by Italgas. The qualification of the Permanent Groupings requires the positive assessment of the individual associated suppliers and must comply with the provisions of the Procurement Code.

Section III: Legal, Economic, Financial and Technical Information

III.1) Conditions of participation

The candidate can view all the conditions of participation on the Italgas portal, suppliers section, by accessing the following link:
<https://www.italgas.it/partner/fornitori/bandi-avvisi/sistemi-qualifica/>

III.1.1) System Qualification:

The candidate must answer positively to the following questions in the questionnaire on the Italgas Purchasing platform.
The candidate must, therefore, comply with the following requirements:

- Economic and financial requirements:

Have an average total turnover of at least €5,000,000 in the last 3 years

- Technical requirements:

Have concluded, or have in place, contracts for the construction/replacement of gas/water distribution pipelines in the last 5 years for a total value of at least € 3,000,000
--

Provide list with: customer, year, type of contract (direct, RTI, subcontracted), description of activities, amount and duration
--

Have a valid SOA Certificate for the OG6 category of classification at least equal to V (fifth)

Provide a copy of the SOA Certificate
Have a total staff of not less than 30 units directly employed
