

**Italy-Turin: Public services**  
**2026-OJS127-00460968**

**Annex to the Qualification System**  
**Product Category SS11AB02 Pest control and rodent control services**

**Section I: Procedure (2.1)**

This annex to the notice in question concerns pest control and rodent control services.

**Section II: Purpose (2.1.1)**

With this notice, addressed exclusively to Individual Legal Entities, Italgas, for its activities and their subsidiaries and affiliates, aims to compile lists of qualified suppliers, from which candidates may be selected for tenders for works, goods or services conducted by the individual parties indicated above or by Italgas.

The qualification of the Permanent Groupings requires the positive assessment of the individual associated suppliers and must comply with the provisions of the Procurement Code.

**Section III: Legal, Economic, Financial and Technical Information**

**III.1) Conditions of participation**

The candidate can view all the conditions of participation on the Italgas portal, suppliers section, by accessing the following link:

<https://www.italgas.it/partner/fornitori/bandi-avvisi/sistemi-qualifica/>

**III.1.1) Qualification for the system:**

The candidate must answer positively to the following questions in the Qualification questionnaire on the Italgas Purchasing platform.

The candidate must, therefore, comply with the following requirements:

**- Economic and financial requirements:**

|                                                                 |
|-----------------------------------------------------------------|
| Have an average total turnover of €300,000 in the last 3 years. |
|-----------------------------------------------------------------|

**- Technical requirements:**

|                                                                                                                             |
|-----------------------------------------------------------------------------------------------------------------------------|
| Have appropriately trained personnel as PEST CONTROL - DISINFECTION AND RODENT CONTROL pursuant to Legislative Decree 81/08 |
|-----------------------------------------------------------------------------------------------------------------------------|

|                                                                                                         |
|---------------------------------------------------------------------------------------------------------|
| Have personnel with technical and professional skills according to art.2.3 of Ministerial Decree 274/97 |
|---------------------------------------------------------------------------------------------------------|

|                                                                                                                                  |
|----------------------------------------------------------------------------------------------------------------------------------|
| Have performed pest control and rodent control services in the last 3 years                                                      |
| Provide list with: customer, year, contract type (direct or in RTI), description of activities, quantity, amount, execution time |

|                                                                      |
|----------------------------------------------------------------------|
| Use products that have up-to-date safety data sheets and data sheets |
|----------------------------------------------------------------------|

#### **III.1.2) Verification methods for each condition**

In order to access the qualification process of the Goods Group subject to this qualification system, the candidate supplier must meet all the specific requirements (economic-financial, technical, HSEQ) listed above.

Evidence of the possession of the specific requirements (economic-financial, technical, HSEQ) is provided by filling in and confirming the questions of the qualification questionnaire.
